

Sundae in Beirut Guidelines

Introduction

Sundae in Beirut is a sweets shop, where every treat is crafted with passion, creativity, and the finest ingredients. This brand guideline defines our visual identity, voice, and values to ensure a consistent and delightful experience across all touchpoints.

Logo Variations

Classic Logo

The classic logo serves as the primary branding mark, representing the full identity. Use this logo in most printed marketing and communication materials as well as web, social media, television, email...

Text-based Logo

The text-based logo is a simplified variation of the classic logo without the wavy elipse and with a pink background. Use only in extreme situations when the classic logo is not appropriate or if you need a smaller logo.

Print minimum sizes

35 mm
1.3 inches

31 mm, 17.5 mm
1.2 inches, 0.68 inches

Digital minimum sizes

85 pt

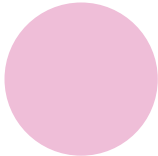

75 pt, 42.4pt

Clear spaces

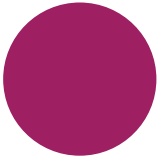

Please be sure to include clear spaces around every edge of the logo following these measure:
10mm, 0.4 inches for printing.
38pt for digital use.
These margins ensure visibility and prevent the logo from appearing cramped within its surrounding content.
